Gentlemen:

RE: C00271312

When the Committee to Re-Elect Nydia M. Velazquez filed its July 15 Quarterly FEC report for the period 4/1/98 - 6/30/98, we had just undergone a data conversion while changing our software vendors.

It has just come to my attention that this conversion did not go as smoothly as we had originally thought. There were a number of contributions that we included in this report that were previously reported and there were a number of contributions that were not included which should have been.

Therefore, we are submitting the enclosed amended report for this reporting period (4/1/98 - 6/30/98) with all of the correct contributions and we are submitting amended reports for all other subsequent FEC reports.

After carefully going over our data, we are now confident that it is correct. Please do not hesitate to call me if you have any questions regarding this amendment. My number is 301/622-9250.

Sincerely,

Vickie L. Wimpfinger
Assistant Treasurer
